

THE PHILOSOPHY OF “ZERO HOUR”?...

(A New theory on “ZERO”)

M.Arulmani, B.E.1, V.R.Hema Latha, M.A2

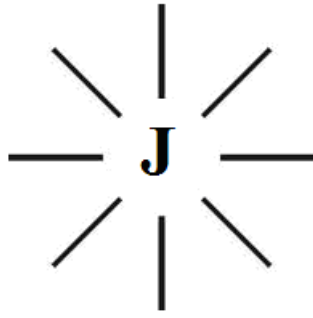

Engineer1, M.Sc., M.Phil.(Biologist)2

1. Abstract:

This scientific research focused that “ZERO”, “ZERO HOUR” shall be considered as having in depth meaning and more energetic value. Zero means no value?... Zero hour means no power?... NO... NO... NO...

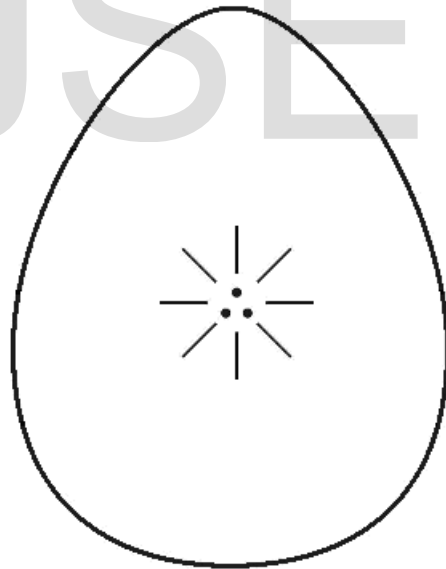

In global level parliamentary legislative system the philosophy of “Zero hour” refers to open session for asking New questions by the members of the parliament about important issues of the country without deviating the systematic parliamentary “Predefined” (scheduled) programme. Zero hour is the very sensitive session as equivalent to “INDIVIDUAL HUMAN SOUL” and more valuable. Sometime during the session the members raise **unhealthy questions** and making the session into “PLASMA STATE” environment and run out of house for evening entertainment.

This scientific research focus that the “Zero hour” philosophy shall be closely associated with the time when “J-RADIATION” was originated in the early Universe near “White hole” region of universe. The “J-RADIATION” shall also be considered as “Zero hour Flame” and “Creative Soul” of all matters of Universe.

ZERO HOUR FLAME
(Creative Soul)

It is further focused that the “**Beam**” of Zero hour radiation consists of “**Billion’s of rays**” responsible for “**White elementary matters**” (e-Matters) and each ray consider inbuilt with “**Three-in-one**” predefined Programme called “**e-Logic**” (or) “**Zero hour Logic**”. Further it is focused that the Philosophy of zero shall be considered derived from the Philosophy of “**THREE-IN-ONE DOT**”.

ZERO HOUR UNIVERSE
(Zero Hour Logic)

*“e-Logic shall be considered as the **Zero hour logic** associated with origin of matters in the region of “**ZERO GRAVITY**” (or) least downward gravity of the Universe”*

- Author

2. Key Words:

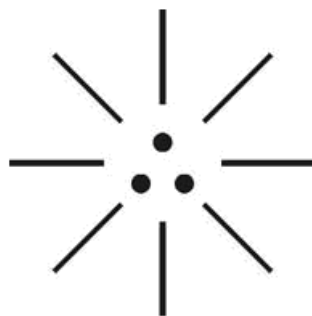

- a) Zero hour “**Cell Nuclei**”?...
- b) Zero hour “**Universe**”?...
- c) Etymology of word “**Zero**”?...

3. Introduction:

Case study shows that the shape of animal cell is “**Oval Shape**” and the shape of plant cell is “**Square shape**”. Further it is stipulated that the Nuclei of cell contains only two parameters “**Chromatin**”, “**Nucleolus**”.

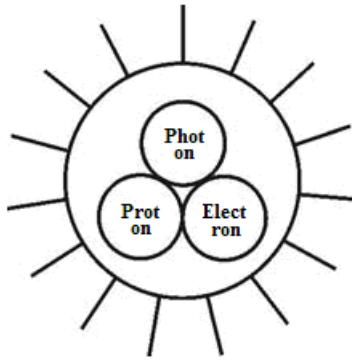

Do “**CELL NUCLEI**” contains only two parameters?... **NO... NO... NO...** It is focused that the “Zero hour matter nuclei of cell” contains three-in-one fundamental parameter and of “**Triangle shape**”. The cell nuclei shall also be called as “**TRISOMY NUCLEI**”.

(i)

Cell Nuclei Logo

(ii)

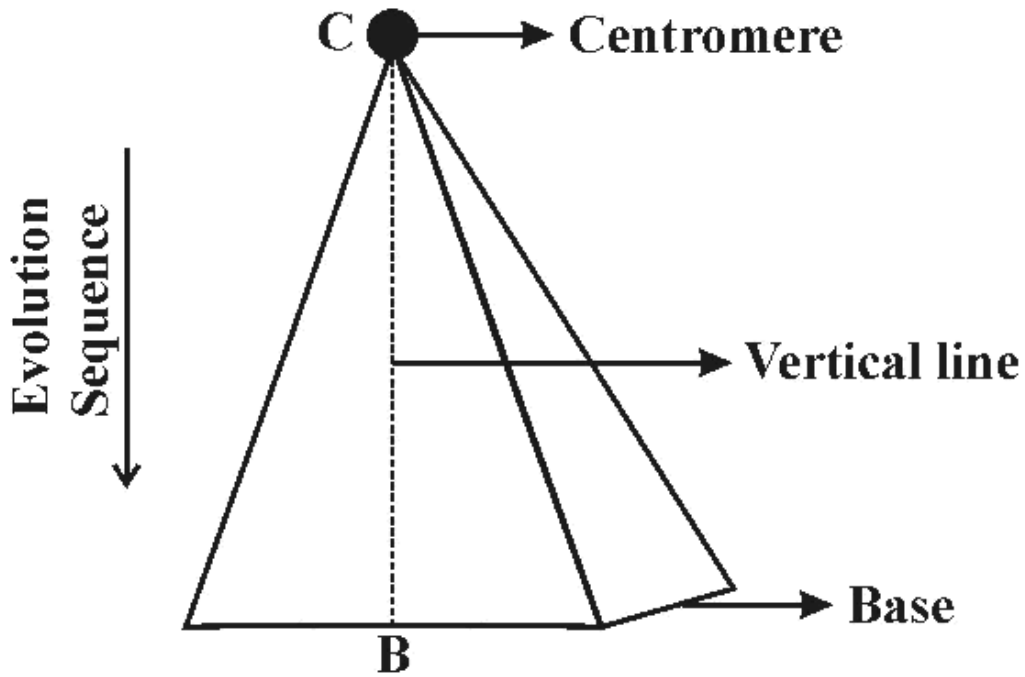

MODEL TRISOMY NUCLEI (e-CELL)

- i. Right dot like "DNA" (Functional part)
- ii. Left dot like "HORMONE" (structural part)
- iii. Centre dot like "RNA" (sequence control)

It is speculated that during "expanding universe" the logic of "Zero hour cell" (e-Cell) might have undergone **genetic changes** in three nuclear ages and the 3rd **generation cell nuclei** probably contains only two parameters say **chromatin and nucleolus**. The Philosophy of chromosome growth on vertical line and gene growth on lateral line is described below.

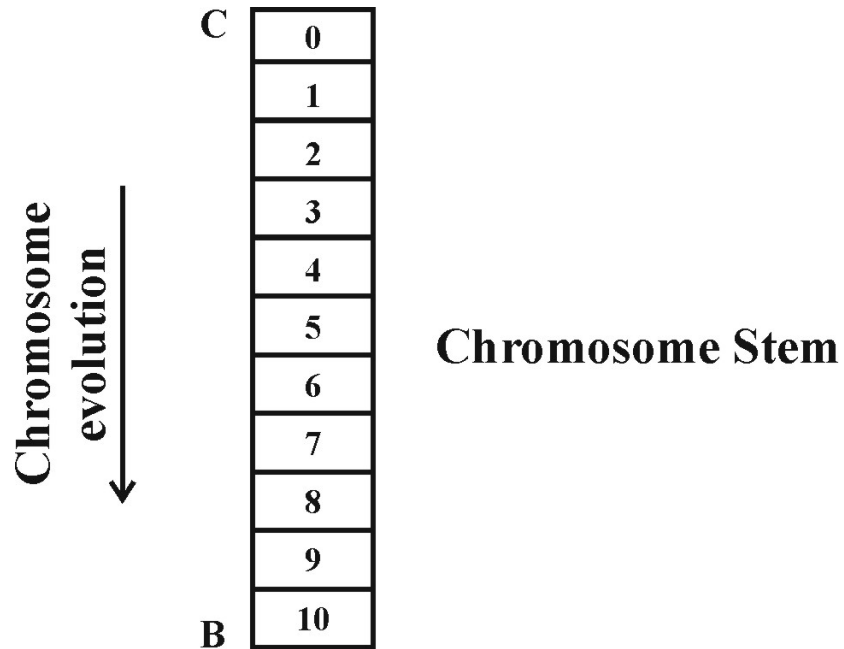

(i)

(Model Chromosome and Gene Growth)

(ii)

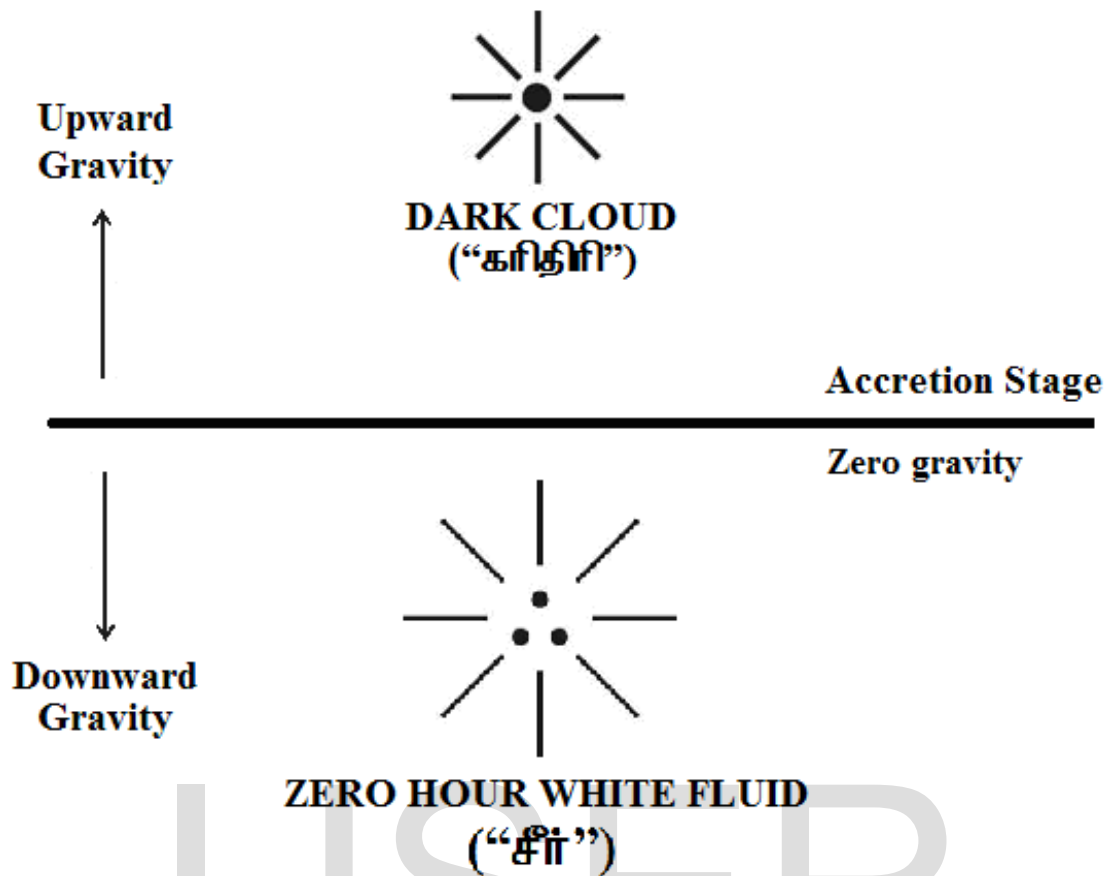

“Zero hour session shall mean origin of white elementary matter (e-matter)”

- Author

4. Hypothesis and Narration

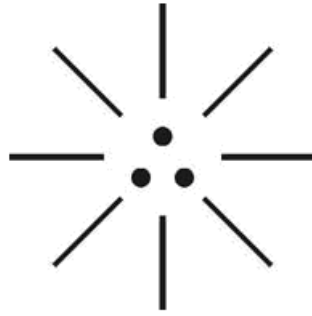

a) Philosophy of ‘Zero hour’ cell nuclei?...

It is hypothesized that currently there are so many controversial theories among “**Biogenist**” and “**Abiogenist**” about origin of life and organisms. The **Primeval soup theory** proved that the synthesize of organic compound from non-living matter through natural process ultimately concluded that there is no formation of life. It is hypothesized that “**Dark cloud**” (also called as Dark spirit) shall be considered as the source of “**ZERO HOUR WHITE FLUID**” which responsible for origin of white elementary matters having three-in-one cell nuclei due to impact of “**J-Radiation**”. The philosophy of ‘zero hour white fluid’ shall be described as below. In proto Indo Europe language the ‘**Dark cloud**’, “**White fluid**” shall be called as “fhpjph” “rPH” (rPufk;). It is hypothesized that the Philosophy of “**SERUM**” in medical science might be derived from the philosophy of zero hour white fluid.

The philosophy of "White fluid" shall be defined within the following scope.

- 1) The 'white fluid' consider contains fundamental ions of photon, electron proton having zero mass and having definite charge property optic electric, magnetic parameters.
- 2) The white fluid considers free from atomic matters Hydrogen, carbon, Nitrogen oxygen shall also be called as "Natural white Blood".
- 3) The white fluid consider exist under highly endothermic environment say far below **Absolute Zero** temperature and almost under "Zero gravity" (or) least downward gravity
- 4) The white fluid considers as the matter of "Super fluid state"

(Zero Gravity Fluid)

- i) Right dot - **Proton** (Functional part)
- ii) Left dot - **Electron** (Structural part)
- iii) Centre dot - **photon** (Sequential control part)

b) Etymology of word “Zero Hour”?...

It is hypothesized that the etymology of word “Zero Hour” might be derived from proto Indo Europe language root word “rPH” (rPH + mfk;). It is focused that the Philosophy of zero hour shall mean the time when super white fluid “CHEERAKAM”. The word Cheerakam might be dialectically pronounced as “ZERO HOUR”.

It is further focused that the Philosophy of **human heart** might be derived from the philosophy of proto Indo-Europe language root word “Chirm”, “Chirsu”.

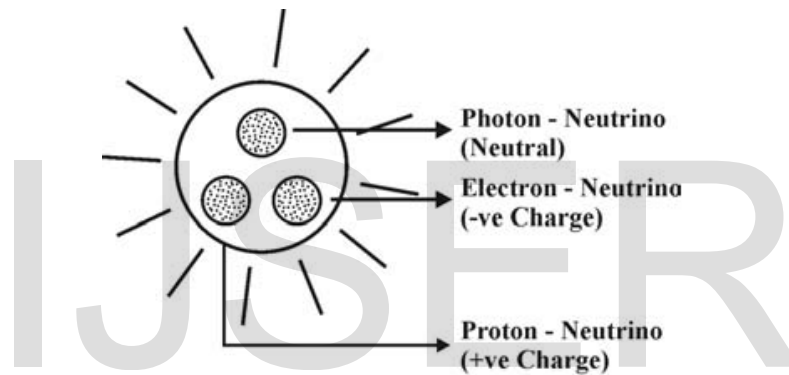

*“The philosophy of “Zero” shall mean associated with **Triangle** or oval rather than “Circle”*

- Author

c) Case study on Blood serum?...

Case study shows that “serum” is an amber, watery fluid, rich in “protein” that separates out when blood coagulates. Serum is considered neither blood cell nor a clotting factor; it is the “blood plasma” not including “Fibrinogens”. Further serum includes all proteins and electrolytes, antibodies, antigens, hormones, and other exogenous substances. Serum is essential factor for the self renewal of embryonic stem cells in combination with the cytokine leukemia inhibitory factor.

It is hypothesized that the “Serum” shall be considered as the species matter derived from “Zero hour white fluid (rPH)”.

ZERO HOUR FLUID (rPH)

- i) Right dot - Responsible for function (DNA)
- ii) Left dot - Responsible for structure (HORMONE)
- iii) Centre dot - Responsible for sequence control (RNA)

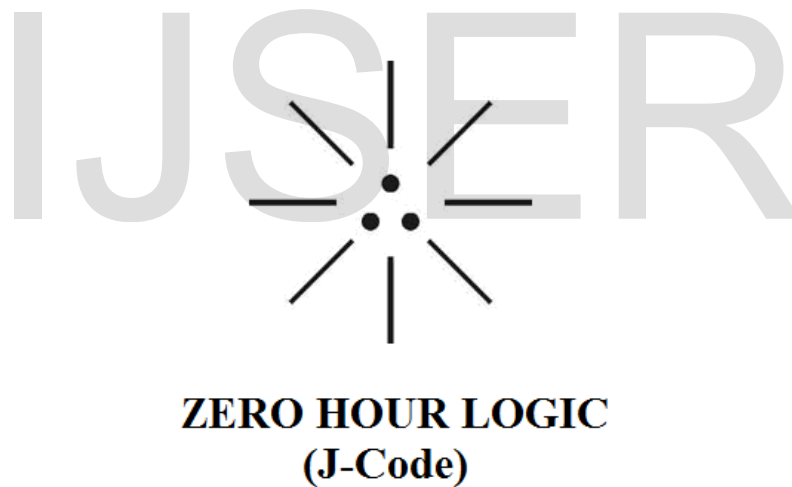

It is further focused that “Zero hour white fluid” shall be considered as “Universal Blood donor” as well as “Universal blood acceptor” of billions of existing organisms of the universe including plants.

d) Philosophy of Zero alphabet?...

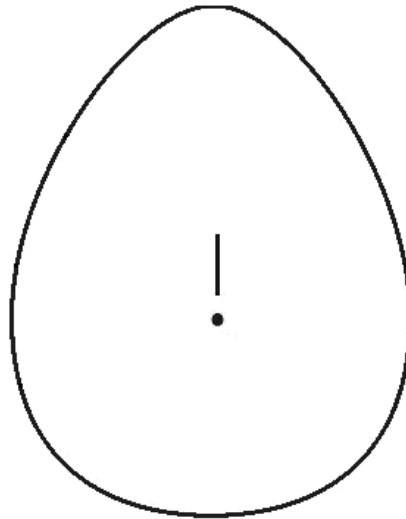

It is focused that the Philosophy of Zero is a vital use in scientific field in physics, chemistry, mathematics and other Philosophy and arts and other human culture. Case study shows that the Philosophy of zero was originated in Babylonian mathematics in 2nd millennium B.C. and in ancient Egyptian culture as **Hieroglyphs** symbol in 1740 B.C. Further the Philosophy of zero is in usage in computational, digital communication as a Boolean code.

It is hypothesized that “**THREE-IN-ONE DOT**” shall be considered as the source of Philosophy of zero and other alphabet like dot (.), dash (-) which are in usage as **Morse code** in telegraphic language. It is further focused that dot, dash shall be considered as the source of matters in the Universe. Without dot and dash no matter can be formed. The Philosophy of dot, dash, zero Universe shall be described as below.

(i)

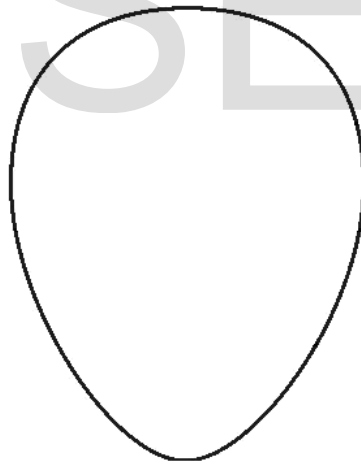

(ii)

ZERO HOUR UNIVERSE (e-Matter)

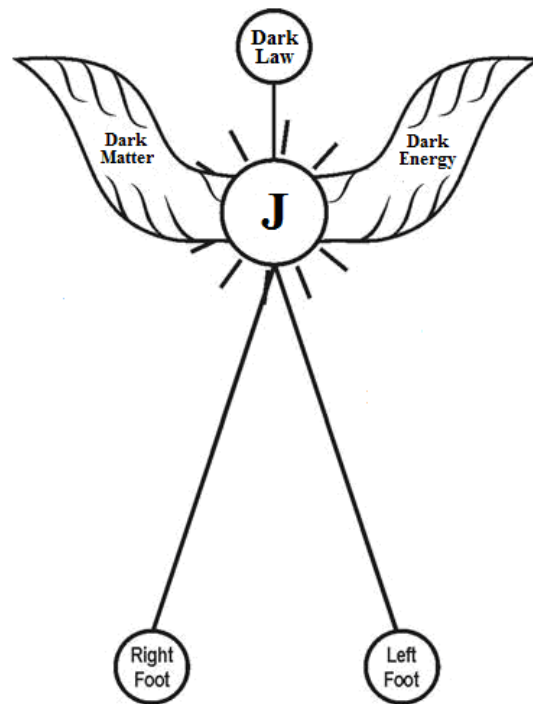

It is further focused that the Philosophy of **human head shape** might be derived from the philosophy of "**J-CODE**".

MODEL HUMAN HEAD

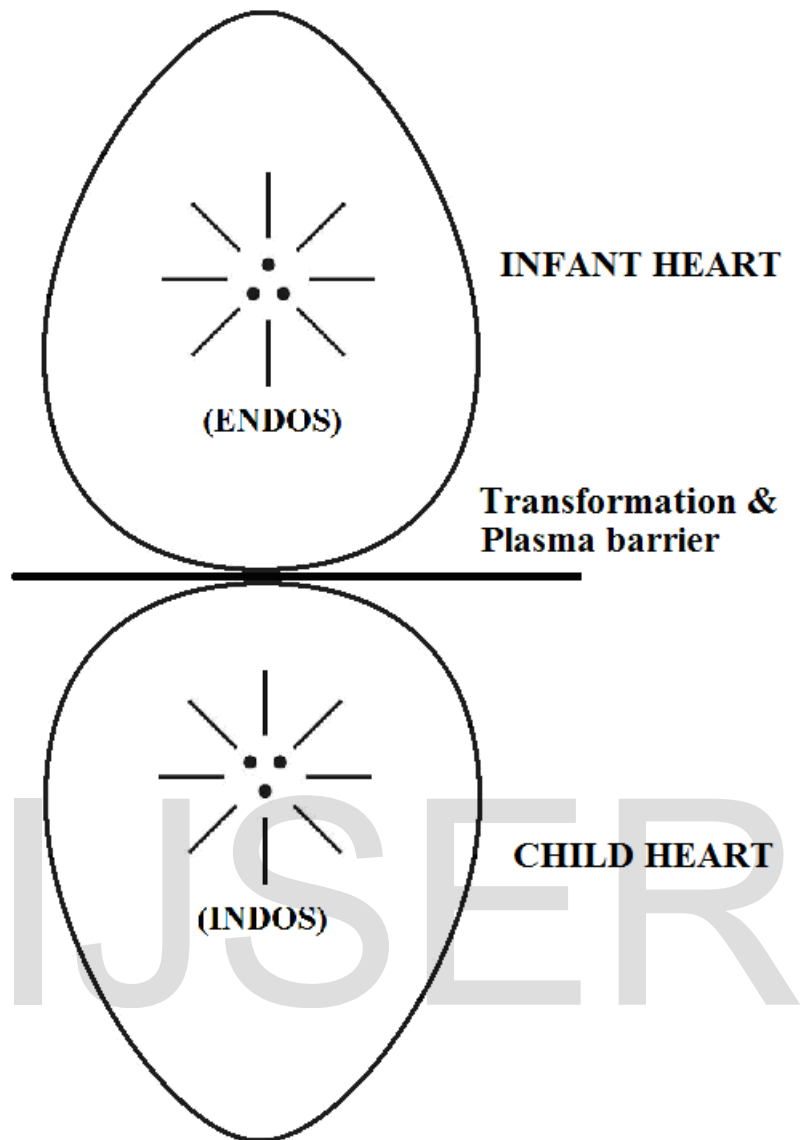

e) Philosophy of Zero Hour ancestor?...

It is hypothesized that the zero hour ancestor shall be considered as the product of super state white fluid and J-Radiation. The Philosophy of zero hour ancestor shall be descended as below.

THAMIL BASED INDIAN (Zero Hour Ancestor)

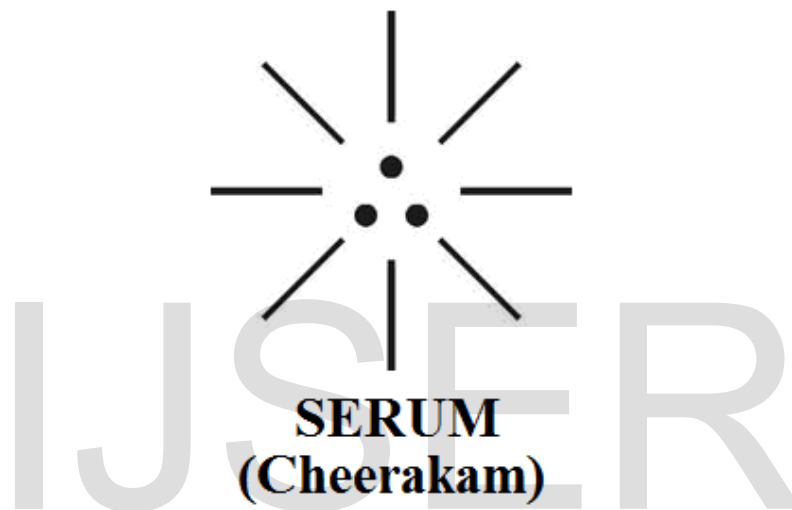

It is focused that the zero hour ancestor might have had only **single chamber heart**. The modern human having **four chamber heart** might have evolved at later stage during **expanding Universe**. The Philosophy of single chamber heart shall be descended as below.

Further in **Human Anthropological system** the various genetically varied populations shall be considered having different type of blood system since origin of “**Human Ancestor**” as described below.

Sl.No.	Human race	Period	Blood type
1.	Angel family	Prehistoric Time (Wind breath)	“White blood”
2.	Plasma Human (Tribe)	Ancient time (Transformation to Ozone breath)	“Black blood”

3.	Proto Dravidian	Post Ancient (1 st generation) (Ozone breath)	“Blue blood” (AB)
4.	Dravidian	Pre modern (2 nd generation) (Oxygen breath)	“Green blood” (AB, A, B)
5.	Aryan	Moderations(3 rd generation) (Oxygen allotrope)	“Red blood” (AB,A,B,O)

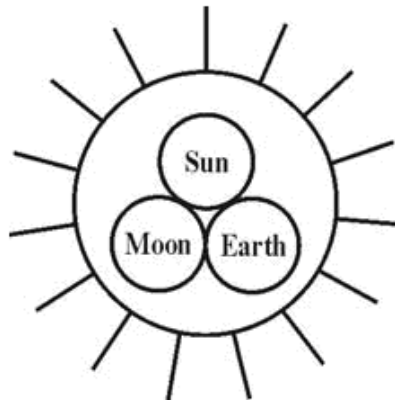

*“**CHEERAKAM** (Zero hour cumin seed) is good for **heart and health**. The Philosophy of taking Cheerakam after meal shall be considered as the prehistoric Tamil based Indian culture given to global population.*

- Author

5. Conclusion:

Case study shows that the “**molecular cloud dust**” stipulated in “**Big Bang theory**” of evolution of Universe did not focus about the constituents and the source of molecular cloud dust. It is hypothesized that Dark cloud composes of “**Anti particles**” of photon, electron,

proton consider exist under “**Super endothermic**” environment under strong “**UPWARD GRAVITY**”. Further the dark cloud (also called as Dark spirit) shall be considered as the source of “**DARK FLAME**” In proto Indo Europe Language root dark flame shall be called as “**Akkie-e**” (mf;fp)

(AKKI-e)

During the course of expanding universe the relative position of **SUN, EARTH, MOON** might have evolved various matters like **fluids, solids, liquid, vapour** under various radiation environment condition.

6. Previous Publication:

The philosophy of origin of first life and human, the philosophy of model Cosmo Universe, the philosophy of fundamental neutrino particles have already been published in various international journals mentioned below. Hence this article shall be considered as **extended version** of the previous articles already published by the same author.
